<https://foodbabe.com/how-to-make-coconut-milk-ice-cream>

Ingredients:

- 14 ounces full fat coconut milk
- 3 bananas, frozen
- 1 pinch sea salt

Cookies & Cream Flavor

- 1 tablespoon pure vanilla extract
- 10 einkorn cookies, coarsely chopped

Instructions:

1. Combine base ingredients in blender and blend until smooth.
2. Add liquid flavorings (extracts) into blender and blend again.
3. Pour mixture into ice cream machine and turn on.
4. Mix for at least 20 mins or until ice cream is formed.
5. Stir in cookies.
6. Best served immediately, if stored in freezer, place back into ice cream maker to make smooth and creamy again.

Notes:

- Choose all organic ingredients if possible.
